

Capital Bankcard was established in 1998 and has become one of the largest, and most respected merchant service providers in the country. We help businesses of all sizes find the right solution for their processing needs, but what we are most recognized for is our dedication to customer service.

Our customers receive honest, clear-cut answers to their questions from trained professionals, whose knowledge and experience are unmatched in the industry. Your Capital Bankcard representative will help you choose the best POS system for your business, and will help ensure that your business stays up-and-running.

We are proud of this well-earned reputation for offering low prices and great customer service and we look forward to showing you the Capital Bankcard difference.

When you process with Capital Bankcard, your business will be able to accept virtually every kind of electronic payment including:

- All major credit cards
- Debit cards
- Gift cards
- Bank checks

You will also benefit from our dedicated customer support with:

- 24/7 support with your processor
- The most knowledgeable support personnel in the industry
- Free online access to your account

Capital Bankcard has the ability to support several types of accounts:

- Retail / Storefront
- Internet
- Mail Order / Telephone Order
- Wireless
- Lodging
