

Cash

Capital Bankcard[®]

Advance Program

Could your business benefit from a rapid infusion of cash? Whatever your reason, the Capital Bankcard Cash Advance Program might be perfect for you! This program allows you to leverage your current credit card processing activity to receive an up-front, unsecured advance, based on up to 1.5 times your monthly Visa and MasterCard processing volume.

HOW IT WORKS:

- Capital Bankcard reviews your average monthly volume and establishes the maximum allowable advance
- You tell us how much you would like!
- Capital Bankcard reviews paperwork
- Cash is sent to you within days!

REASONS FOR CASH ADVANCE

- Company expansion
- Inventory purchase
- Down payment
- Acquisition
- Short term cash flow shortfall

BENEFITS

- You can receive up to \$150,000!
- No personal guarantee required
- No fees or penalties for extended payback period
- Financials / tax returns not required
- Advance can be available in as little as a couple days

REQUIREMENTS

- You must have been in business for at least 13 months with 6 months of credit card processing
- Your merchant account must be with us
- You must provide the last 4 months of processing statements with a \$5K average
- Trade references are required
